After running a successful food outlet in Artworks Elephant, Beza joined Elephant Park at 8 Sayer Street in 2019.

Beza is an Ethiopian restaurant that specialises in traditional Ethiopian vegan food. In Ethiopia and surrounding countries, vegetarian and vegan ingredients are grown locally and cooked by restaurants that very same day creating dishes that are full of flavour and freshness. These elements have been packaged up and brought to London.

Experience it for yourself at their authentic, vegan, Ethiopian restaurant in the heart of Elephant & Castle.
