**Email**

info@thequeenofsheba.co.uk

The Queen of Sheba is a family run restaurant since starting in 2003. Ingredients are sourced directly from Ethiopia and service is attentive yet formal to ensure the atmosphere remains warm, friendly and relaxed.

This is a place where you will encounter undiscovered Ethiopian cuisine at its best. You can choose from a range of vegetarian, fish and meat dishes that have their own unique exotic taste which will remain with you forever.
